2. Correspondence

Emails received from JT, Netters Ice, regarding point deductions. JK and SP responded directly to JT with reasons deductions were made. The committee can clarify that the provision of an umpire not on the MKINL Umpire list is only allowed if permission is sought from the Umpiring Secretary beforehand as per MKINL Rule 5.2.1.

Email received from Lightning regarding June minutes. MK Lightning did not concede the match against Technip Flames on the 9th May. The match conceded was against Chelbridge Jets on 16th May. SP apologises for the error. MK Lightning also reported that Bletchley Leisure Centre were amazing when assisting with an injury to one of their players on 18th April and have written to BLC to congratulate them, the Committee hope the player concerned is recovering well.

Email received from SB, Panthers, regarding umpiring assessments and the conduct of AC as detailed in last month's minutes. SB provided a copy of an email sent to AC in November regarding the issues between Panthers and Dynamos. AC did not remember this email when organising the assessment and has responded directly to SB regarding her conduct. AC will ensure that assessments are not arranged for Panthers v Dynamos games in the future.

Email received from LB Comets regarding the scores from their match v Chelbridge Arrows on 9th May. SP has checked the scorecards, signed by both Captains, and the duty sheet; these confirm the score as LB 35 v CA 30. The Committee apologise for the error – results will be amended accordingly.
