3. PLAYERS

3.1 Age of Players

All players must be at least 14 years of age to be eligible to play in the MKINL. However, if a player has been talent identified and MKINL receives an Age Banding application form, completed in line with the England Netball Age Banding process, then permission may be given for a younger player to participate. If a player is found to be under 14 years old and not talent-identified, then a 1 point penalty deduction per player per match in which that player(s) played, will occur. If the winning team are the offending team, then the match will be deemed void, with the possibility of a replay at the end of the season in line with rule 4.6. If the losing team plays an under 14 player that hasn't been talent identified (or that information has not been received by the MKINL Chairman), then the result will stand. The offending player/s will be unable to play in MKINL until they reach 14 years of age or talent identification documentation is received and accepted by the MKINL Chairman.

3.2 Transfers during the season (including transfers within multi-team clubs)

Players may transfer between clubs and between teams during the season but cannot return to their original club or team during the same season. If a player leaves one club and joins another, then an administration fee of £5.00 will apply on each occasion.

Transfers can take place on the night of matches, as long as payment is made and the MKINL Affiliations Officer is informed as soon as possible by email on match days. Payment must be made by bank transfer before the match or a cheque on the night (cash is not acceptable for security reasons). A copy of the email must also be handed in to the Duty team at the venue, prior to the player taking court.

3.2.1 Playing up / Transferring

Within multi-team CLUBS players are allowed to play up twice to the team directly seeded above their own. If a player then transfers up to this team, she must play there at least twice before playing up or transferring again. Playing up for a third time will mean that the player has transferred to the higher seeded team and must play there at least twice before playing up or transferring again. Failure to comply with this rule will result in a 1 point penalty deduction per match per offending player. If the winning team are the offending team, the match will be deemed void (teams will be awarded a draw with the possibility of a replay at the end of the season in line with rule 4.6). If the losing team plays an unaffiliated player, then the result will stand.

3.3 Playing down / Transferring

Within multi-team CLUBS players are not allowed to play down. However, transfers downwards (within multi team clubs) is both allowed and irrevocable. This movement must take place before the lower seeded team's last four fixtures. Once a player has transferred downwards, they cannot return to any higher seeded team for the remainder of the season.

Failure to comply with this rule will result in a 1 point penalty deduction per player, per match. If the winning team are the offending team, the match will be deemed void (teams will be awarded a draw with the possibility of a replay at the end of the season in line with rule 4.6). If the losing team plays an unaffiliated player, then the result will stand.

MKINL 2018/19 League Rules

3.4 Player affiliation

If a team plays an unaffiliated player(s) then a penalty of 1 point deducted per match, per offending player, will occur. If the winning team are the offending team, the match will be deemed void (teams will be awarded a draw with the possibility of a replay at the end of the season in line with rule 4.6). If the losing team plays an unaffiliated player, then the result will stand.

Teams can affiliate new players throughout the season including on match days, up to 5pm with confirmation of their affiliation number being emailed to the MKINL Affiliations Officer. Payment must be made to EN before the player takes court. A copy of the confirmation email from EN must be given to the team on duty on the night that the player plays for the first time.

4. RULES OF PLAY

4.1 Miscellaneous

All payments due must be paid on the night or in advance by cheque or by bank transfer. CASH IS NOT ACCEPTED.

Fixtures appearing on the fixtures list are compulsory and must be played. The MKINL Committee may make changes to these fixtures at any point during the season.

All teams will play other teams in their division twice, according to the fixture list issued by the MKINL Committee (this format may be altered by the Committee if required).

All matches will consist of four quarters of 13 minutes, with a 1 minute break at quarter times and up to 2 minutes break at half time. If matches start late, then breaks only should be reduced. Under no circumstances should the four quarters be reduced. If this occurs, then matches will be deemed void and there will be no automatic right for a replay.

Captains will toss a coin to decide who will take the first centre pass / ends prior to the beginning of the match.

A player arriving late and filling a vacant position may only take court after a goal has been scored, a stoppage for injury, illness or blood or an interval.

Any team who has a query about the match score MUST NOT sign the score-cards and clear notes must be made by the team on duty on the duty sheet for that evening. Disputing teams should contact the MKINL Committee by email (mkinlcontact@gmail.com) within 7 days, with umpires and scorers identified in their email. It will be up to the MKINL Committee to adjudicate on such matters. Umpires must still sign the score cards.

Score-cards, once signed by captains and umpires, are final.

MKINL 2018/19 League Rules

4.2 Points awarded & final positions

Points will be awarded as follows:

3 points – for a win

2 points – for a draw

1 point – for a losing team who score more than 50% of the opponents score

In the event of a tie (points) at the end of the season, goal difference will decide the final positions. Should goal difference be the same, the team with the most wins and 'who beat who' will decide who is placed in the higher position.

4.3 Delayed Matches

Teams must be on court and in position ready to play their matches at the appointed times. Should one team not be on court at the appointed time, the non-offending team will be awarded one goal per minute up to the start of the second quarter of the match, provided this team are all on court, in their correct thirds and ready to play.

If a team does not arrive by the start of the second quarter of a match, the non-offending team will be awarded the equivalent points due for a win. At the end of the season, the non-offending team will receive goals equivalent to their average score for matches played and the same for goals against. The offending team will gain no points but will have goals averaged for and against. The offending team will be liable to pay court fees for both teams and the fee to both umpires.

4.4 Disrupted Matches

If a match at any venue is interrupted for any reason that is not due to injury (i.e. fire alarm etc.), the match will be deemed a draw, unless it has reached the end of the second quarter or beyond. In this instance the score will stand.

At the end of the season both teams will receive goals equivalent to their averaged goals scored for and against for the matches played.

4.5 Conceding Matches

To concede a league match before taking court, the conceding team must inform the MKINL Results Secretary, MKINL Treasurer and MKINL Duty Manager.

The conceding Team must also inform the opposing team, the teams that will be umpiring the conceded match and the duty team. The team conceding a match must still provide an umpire, as per normal rules. The Team Contact details should be used to find the contact details of the other teams. The team conceding the match should request confirmation of receipt of all emails that they send, to ensure all parties are aware of the cancellation.

The non-offending team will be awarded the match. At the end of the season, they will receive goals equivalent to their averaged goals scored for and against, for the matches played. The offending team will gain no points, but at the end of the season they will receive goals equivalent to their averaged goals scored for and against, for the matches played.

MKINL 2018/19 League Rules

The offending team will be liable to pay court fees for both teams - this should be received no later than the offending team's next match.

Once a match has been conceded, the remaining match start times may be adjusted for the mutual convenience of the remaining teams, but full agreement must be reached by all parties. No variation of full match conditions is permitted. It is the sole responsibility of the team conceding to authorise and manage this process. Should full agreement not be received by all remaining parties, then the original match timings must be adhered to.

4.6 Replaying Matches

Any match that fails to take place will not have the automatic right to be replayed. However, matches that are eligible for consideration to be replayed are those that may affect the outcome of any promotions or demotions, or would have an impact on best attack or defence awards in each division. The final decision on whether to replay these matches will be made towards the end of the season, by the MKINL Committee, and once all the facts have been gathered; teams will then be informed accordingly.

4.7 Injury Time / Injuries

An umpire may stop play for blood/injury/illness, when requested by an on-court player. Umpires may stop play without being requested to do so by an on-court player if they feel it is in the player's best interest or if blood has been noticed.

If injury time has been called, the player concerned must leave court AND must do so within 30 seconds. The Duty Team must manage the 30 seconds of injury time and advise the umpires when there is 10 seconds remaining. The main clock will not be stopped; injuries will be timed on a second stopwatch. The umpire, at their discretion may extend the injury time but the main clock will still not be stopped.

During the injury time, teams may make substitutions and/or team changes, provided these are completed within the stoppage time (30 seconds).

If no substitution is made for an injury/illness or blood, then play may resume with that position left vacant (if this position is Centre and no substitutions have been made, one player must move into the Centre role). If the position is left vacant, the player concerned, or a substitute may take court after advising the umpire and after one of the following: a goal, a stoppage for blood, injury, illness or sanction or an interval.

If an injury is so severe that play cannot continue, the match will be deemed void, unless it has reached the end of the second quarter or beyond, when the score will stand.

All injuries must be recorded on an accident form, as soon as possible after the injury occurs and a copy of this form should be sent to the MKINL Secretary (mkinlcontact@gmail.com), within 7 days.

5. UMPIRING AND DUTY

5.1 Umpiring

Umpires are expected to be fully focused on their duties at all times.

There will be central time keeping and matches will start and end on the umpire's whistle. It is the sole responsibility of the umpire nearest the time keeper, to inform the time keeper when to start the clock at the beginning of all quarters and they should instruct this person accordingly.

Either umpire may blow the whistle for quarter, half and full time, regardless of whether play is in their half of the court.

No league fixture will be played with less than two umpires. Should any match go ahead, and teams agree to play with only one umpire, the match will be considered a friendly and the result will not stand. Court fees and umpiring fees will still be payable if the match is played. It will be at the Committee's discretion as to whether the match is replayed, and if it does get replayed, court fees and umpiring fees will be due from both teams.

5.2 Umpires

5.2.1 Umpiring Housekeeping

Umpires are to wear white tops whilst umpiring.

The Committee will provide all teams with an Umpiring Contact List. Should any of the umpiring details change after publication, umpires must advise the MKINL Secretary, by email, within 7 days.

All umpires MUST be affiliated to England Netball. All umpires officiating for MKINL must be named on the Umpire Contact List. Should any other umpire be used, prior authorisation is required from the Umpiring Secretary. This umpire must register with MKINL and be provided with an "umpiring number", which must be subsequently used by that umpire. If an unauthorised umpire is used, the team supplying that umpire will be deducted 3 points.

All umpires must be over 16 years old. Umpires between 16 and 18 years old will only be given permission to umpire if they have a mentor who will always be present on the side line, during any particular fixture. The MKINL Umpiring Secretary must assess the umpire before authorisation can be given. Clubs using umpires between the ages of 16 and 18 years old, must provide the MKINL Umpiring Secretary with their names. The Umpiring Secretary should be advised when and where these umpires are officiating, on a weekly basis. MKINL reserves the right to withdraw permission to officiate from any umpire between 16 and 18, should it be felt that it is not in the younger umpire's best interests. The MKINL Umpiring Secretary will determine which division(s) the young umpire may officiate at; this may change throughout the season should the MKINL Umpiring Secretary feel that this is appropriate and dependent upon the qualification level of the umpire.

All umpires will be allocated a number, which must accompany their signature and printed name on the back of all scorecards and used in all correspondence.

MKINL 2018/19 League Rules

Teams without their own qualified umpire must use the Umpire Contact list to find officials to umpire on their behalf. Teams without qualified umpires must also contact the Umpiring Secretary with regards to putting some of their members on a suitable umpiring course at the earliest available opportunity and, by the end of their first year playing in the MKINL, should aim to have a qualified umpire.

Umpires wishing to have the scores called out during a match, should make this request directly to the scorers, who should comply.

Umpires may officiate a maximum of twice in one evening according to the following: if an umpire is playing as well as umpiring on a particular evening, umpires may only umpire once. If an umpire is not playing on a particular evening, an umpire may umpire a maximum of twice. Should further umpiring be required on a particular evening, permission **MUST** be obtained from the MKINL Umpiring Secretary in advance.

All umpires must attend umpiring forums that are held by the MKINL League.

5.2.2 Umpiring Matches

Teams must supply an umpire as follows:

Match 1 – supplies umpires for match 3

Match 2 – supplies umpires for match 1

Match 3 – supplies umpires for match 2

When there are only two scheduled matches at a venue, teams will be required to umpire the other match.

5.2.3 Payment of Umpires

The teams will each pay an umpire (for their own match) a sum specified at the start of the season, and this must be paid on the night. This payment should be made before the start of the match.

5.2.4 Umpiring Qualifications

Umpires must be of 'C' Award qualification for Championship, Division 1 and Division 2 for matches during the Winter Season.

Beginner qualified umpires can umpire Division 3 AND if they have been on a C Award course, completed a pre-assessment and then assessed by the MKINL Umpiring Secretary in a division 2 match, permission may be granted for a beginner-qualified umpire to umpire Division 2.

For the Premier Division, all umpires must be a 'C' Award umpire or above AND have been approved, through assessment, to umpire this division.

Teams supplying these umpires who are found to be in breach of this rule, will be deducted 3 points per match and further sanctions may follow, should a repeat occur. If the match is played with an

MKINL 2018/19 League Rules

unsuitably qualified umpire, then this match will be deemed to be a friendly and the result will not stand. Court fees and umpiring fees will still be payable if the match is played.

5.2.5 Non-Attendance of Umpires

The penalty for not supplying a suitably qualified umpire will be a deduction of 3 points and the match fees to be covered by the team responsible for supplying the umpire. It will be at the MKINL Committee's discretion as to whether the match is replayed, and if it does get replayed, court fees and umpiring fees will be due from both teams for the re-played match.

Any team that is deducted 3 points for not supplying an umpire more than twice in a season, will be further penalised with a points deduction, to be decided by the MKINL Committee AND a fine of £25.00 payable to MKINL.

If a match does not go ahead due to an Umpire failing to turn up, the match will be deemed a draw. At the end of the season, both teams will receive goals equivalent to their averaged goals scored for and against for the matches played. The team responsible for providing the umpire will be deducted 3 points. All teams providing / booking umpires should re-confirm the umpire's continued availability.

5.2.6 Testing Umpires

Any match played in MKINL may be used to assess (test) umpires relevant to the qualification they are taking. Matches used on test nights will be authorised by the MKINL Umpiring Secretary. Wherever possible, the teams playing will be advised in advance by the MKINL Umpiring Secretary. All due care will be given to the selection of these assessment matches.

All those taking the Into Officiating Award Assessment may only be tested on division 3 matches. All those taking the 'C' Award Assessment will be tested on Championship matches following the successful completion of a pre-assessment, designed to confirm that they are ready to be assessed.

5.2.7 Bleep Test

All B- Award Umpires and above must provide proof of passing a bleep test annually, up to the level required for the umpiring qualification they hold, in line with England Netball rules, by a date specified by the MKINL Committee.

Umpires who fail to supply this information will be unable to umpire in MKINL, until acceptable proof has been received.

5.3 Duty

The duration of duty is defined as all three duty members (from the specified team/club and their associates) turning up before the start of the first match and all three members leaving after the end of the last match.

There must be at least three people from a team/club (including associates) undertaking the role of duty at any time: two duty members will score / time and all other(s) must manage the other requirements of duty, as set out in the Duty Procedure.

MKINL 2018/19 League Rules

Should any team seek any variation in the above rule, on any occasion, then a formal request must be made in writing to the MKINL Committee at least 7 days in advance.

Failure to comply with this rule will result in 2 points deducted for each person from the duty team who is late (where it adversely affects the start of the match). "Late is defined as any time after the first match starts and if non-duty members have to help with any item that duty teams are responsible for.

Duty members are expected to be fully focused on their duties at all times

6 PROMOTION & RELEGATION OF TEAMS

At the end of each season, the top team in each division will be promoted to the higher division and the bottom team in each division will be demoted to the lower division for the following season. In usual circumstances, there will be playoffs each season to determine the second promoted and demoted teams for each division, i.e. second from bottom teams will play second from top teams (e.g. div 1 second bottom will play div 2 second top). This format may be altered by the MKINL Committee if required and will be advised to all teams as soon as possible.

Should any team promoted or demoted feel that this may not be appropriate for the following season, they may contact the MKINL Committee within 7 days of receiving such notification. The final decision will be made by the MKINL Committee.

7 WITHDRAWAL FROM THE LEAGUE

Should any team drop out of MKINL Winter League mid-season, they will be liable to a fine, the amount of which will not exceed the amount necessary to cover ALL court fees for ALL matches not played by that team, plus any outstanding monies owed to MKINL. The exact amount will be determined by the MKINL Committee.

Should a team drop out having played all other teams in their division exactly once, then the results table will remain unaffected, but should a team drop out part way through the first or second half of the season, then points awarded in that half of the season will be removed.

8 MISCELLANEOUS

8.1 Change of Team Contacts

8.2 Attendance at MKINL and North Bucks Netball Association (NBNA) AGM's
